O Διευθυντής,
Βασίλειος Μπουργανός
Invitation for Expression of Interest:
PhD Fellowship “Trace Metal analysis in aerosols”

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one PhD Fellowship in the context of the research project “Pyrogenic Transformations Affecting Climate and Health (PyroTRACH)”, which is implemented under the H2020-EU.1.1. - EXCELLENT SCIENCE - European Research Council (ERC).

Fellowship Description
To participate in the scientific work of the aforementioned project “PyroTRACH”. The main objective of PyroTRACH is to quantify the evolution of biomass burning emissions in the atmosphere together with their impacts on human health and climate. The fellow will use the results of the measurements conducted during the PyroTRACH and the available literature to improve the existing treatment of biomass burning emissions in the chemical transport model PMCAMx-SR.

Location: FORTH/ICE-HT, Patras, Greece
Duration: 6 months, with the potential of renewal
Fellowship: 840 Euros per month
Envisaged starting date: 1/10/2018

Requirements and Qualifications
Candidates are required to hold MSc in Environmental Chemistry or related field. Moreover, candidate must be fluent in both Greek and English, in order to meet working conditions. The evaluation of the candidacies will be based on the following criteria and qualifications:

Application Submission
Interested candidates who meet the aforementioned requirements should submit their applications, no later than 10/8/2018, 23:59h, by email to Kleanthi Zacharopoulou: kleanthi@iceht.forth.gr.
In order to be considered, the application must include:
- Application letter
- CV
- Scanned copies of academic titles/certifications
Statement of research interests

Any application received after the deadline will not be considered for the selection.

Selection Procedure
Applications that are received on time will be evaluated by a scientific committee using the criteria mentioned above. If necessary, certain candidates will be invited to a personal interview with the committee.

The outcome of the selection will be announced on the website of FORTH/ICE-HT as well as on the website of “DIAVGEIA”.

Candidates have the right to appeal the selection decision, by addressing their written objection to the ICE-HT secretariat within five (5) days after the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICE-HT in line with the Hellenic Data Protection Authority.
