

FOUNDATION FOR RESEARCH AND TECHNOLOGY-HELLAS
INSTITUTE OF CHEMICAL ENGINEERING SCIENCES (FORTH/ICE-HT)

Patras, June 3, 2014

Ref. No.: 1985

INVITATION FOR EXPRESSION OF INTEREST

POST-DOCTORAL POSITION – “Innovative materials for solar cell design and demonstration”

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one postdoctoral position in the frame of the funded research programme titled “Innovative materials for solar cell design and demonstration”.

Job Description

Postdoctoral research on sensitized solar cells with emphasis on the employment of graphene as functional component of the solar cells.

Duration

14 months

Salary

2.500€/month gross

Requirements and Qualifications

A Ph.D in the field of Science of Chemistry, or Chemical Engineering or Materials (40%). Experience in sensitized solar cells (30%). Preference to candidates with previous experience in the employment of graphene as functional component of organic-inorganic mesoscopic solar cells (30%).

Deadline for submission of expression of interest

The position is open to suitably qualified candidates of any nationality. Closing date for applications is June 17th, 2014, 14:00 h.

Application procedure

Please send your detailed CV and related materials (scanned copies of academic titles), in PDF format, to kleanthi@iceht.forth.gr.

Evaluation - right to access documents / lodge appeal

Five-member Committee will evaluate the nominations.

The evaluation results will be posted on the website of FORTH / ICE-HT.

Following the posting of the results, interested parties have the right to:

- Lodge an appeal within five days of the day following the posting of the evaluation results.
- Access, within five days of the day following the posting of the evaluation results, after submitting a written request to the Contracting Authority, to the individual files and the individual evaluation/grading sheets of the remaining candidates provided the provisions are met in document no. C/EX/ 4163-1/06.07.2012 from the Hellenic Personal Data
- Protection Authority, ie. when he has a legitimate interest to defend his rights before the courts.
