Ref. 266

Patras 3/2/2017

The Institute of Chemical Engineering Sciences (ICE/HT) of the Foundation for Research and Technology Hellas (FORTH), in the framework of the project ARCHERS, aimed at reducing or even reversing the brain drain, which is funded by an exclusive donation of the Stavros Niarchos Foundation, is seeking to recruit one post-doctoral researcher.

Title of research assignment: Structural Systems Biology for Metabolic Engineering Applications

Description:

Reconstruction and analysis of biomolecular networks, with emphasis on protein-protein interaction and metabolic networks of microorganisms of biotechnological interest, using methods of Structural Biology and Bioinformatics.

Eligibility Criteria

- MSc in Physical Sciences or Engineering
- PhD in Physical Sciences or Engineering
- Good knowledge of Greek and English language

Criteria for Selection

- PhD in Chemical Engineering or Chemistry (15%)
- Experience in Structural Biology methodologies applied in the structural determination of proteins and characterization of their dynamics (20 %)
- Experience in Structural bioinformatics applied in modeling of unknown protein structures, docking stimulation protocols and structure based domain retrieval from target proteome (25 %)
- Experience in System Biology methods applied in the reconstruction and analysis of protein-protein interaction, metabolic and functionally enriched networks (25%)
- Experience in synthetic biology studies (10%)
- Participation in European grants and experience in carrying out independent research (5%)

Location: ICE/HT-FORTH, Patras, GREECE

Start Date: 1st of April, 2017

Duration of appointment: 12 months (with possibility of extension according to the needs of the project).

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **February 28, 2017, 23:59 local time (Greece)** to the address kleanthi@iceht.forth.gr.

In order to be considered, the application must include:

- Filled-out Application Form (attached)
- Detailed curriculum vitae (CV) of the candidate
- Copies of academic titles/transcripts
- At least one reference letter

Any application received after the deadline will not be considered for the selection

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact Ms. Kleanthi Zacharopoulou (kleanthi@iceht.forth.gr, Tel. +30 2610 965 278).

Selection Announcement

The result of the selection will be announced on the website of ICE/HT-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the ICE/HT secretariat within five (5) days after the result announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICE/HT-FORTH in line with the Hellenic Data Protection Authority.

SUBMITTED WITH THIS APPLICATION	1. 2. 3. 4.

Hereby I submit my application as a candidate for a Post Doctoral position:

..... [Job Description]

in the framework of the project ARCHERS, carried out by the Foundation for Research and Technology Hellas (FORTH), and funded by the Stavros Niarchos Foundation.

I certify that:

- A) I accept the terms and conditions of the job announcement
- B) I possess all the necessary certificates and documents and I can present them in their original form without any delay if I am asked to do so
