**Invitation for Expression of Interest:
Experienced Research Associate “Mobile Air Quality Laboratory Operation”**

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one position of experienced research associate in the context of the research project “*EUROCHAMP-2020 Integration of European Simulation Chambers for Investigating Atmospheric Processes – Towards 2020 and beyond*”, which is implemented under the EU-Horizon 2020 Research Framework Programme.

Job Description

The successful candidate will be responsible for the operation of the Mobile Air Quality Laboratory of FORTH/ICE-HT and will assist in the performance of the corresponding smog chamber experiments. This will include setting up of the instrumentation, their transport to the area of the measurements, collection of measurements, data analysis, and reporting.

Location: FORTH/ICE-HT, Patras, Greece

Expected start date: 1st of June, 2017

Duration: 7 months

Salary: 5.000 Euros (total amount)

Requirements and Qualifications

The candidates are required to hold a PhD in Chemical Engineering and be experienced in mobile air quality measurements. Moreover, the candidate must be fluent in both Greek and English, in order to meet working conditions.

The evaluation of the candidacies will be based on the following criteria and qualifications:

Qualifications	Weight	Evaluation criteria
Experience in mobile air quality measurements	100	Months of experience

Application Submission

Interested candidates who meet the aforementioned requirements should submit their applications, no later than Friday, April 21st, 2017, 14:00h, by email to Kleanthi Zacharopoulou: kleanthi@iceht.forth.gr.

In order to be considered, the application must include:

- Application letter
- CV
- Scanned copies of academic titles
- Statement of research interests

Any application received after the deadline will not be considered for the selection.

Selection Procedure

Applications that are received on time will be evaluated by a scientific committee using the criteria mentioned above. If necessary, certain candidates will be invited to a personal interview with the committee.

The outcome of the selection will be announced on the website of FORTH/ICE-HT as well as on the website of “DIAVGEIA”.

The selected candidate will be notified and asked to accept the position within three (3) working days and to present all relevant documents that should match the submitted ones.

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, tel.: +30 2610 965278.

For information and questions about the advertised position and the research activity of the group or the Institute, candidates are asked to contact Professor Spyros Pandis, tel: +30 2610 969510, e-mail: spyros@chemeng.upatras.gr.
