

**OPENING for
One Post-Doctoral Position
within the project**

ARCHERS: Advancing Young Researchers' Human Capital in Cutting Edge Technologies in the Preservation of Cultural Heritage and the Tackling of Societal Challenges

Exclusively funded by the Stavros Niarchos Foundation

Ref. 901

Patras 12/4//2017

The Institute of Chemical Engineering Sciences (ICE/HT) of the Foundation for Research and Technology Hellas (FORTH), in the framework of the project ARCHERS, aimed at reducing or even reversing the brain drain, which is funded by an exclusive donation of the Stavros Niarchos Foundation, is seeking to recruit one post-doctoral researcher.

Title of research assignment: Development of electrocatalysts for PEM fuel cells

Description:

The research work concerns the following: (a) Development of metal supported electrocatalysts targeting fuel cell applications; (b) Physicochemical characterization of electrocatalysts for their morphology, surface properties (state and elemental composition), metallic surface area, crystalline structure, using methods like XPS, XRD, SEM, TEM, TGA. (c) Evaluation of the electrochemical performance and stability of the developed materials using ex-situ liquid electrochemistry (RDE) and in-situ testing in single PEM fuel cells

Eligibility Criteria

- PhD in Chemistry or Chemical Engineering
- Good knowledge of Greek and English language

Criteria for Selection

- PhD in project related discipline (20%)
- Experience in development of electrocatalysts/electrodes (20%)
- Experience in physicochemical characterization of electrocatalysts/electrodes (20%)
- Proven research and lab experience in the investigation of electrochemical processes for energy related technologies (10%)
- Ability to perform independent research (10%)
- Previous Post-Doctoral experience, relevant to the project (20%)

Location: ICE/HT-FORTH, Patras, GREECE

Expected start date: 1st of July, 2017

Duration of appointment: 12 months

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **May 3rd, 2017, 23:59 local time (Greece)** to the address kleanthi@iceht.forth.gr.

In order to be considered, the application must include:

- Filled-out Application Form (attached)
- Detailed curriculum vitae (CV) of the candidate
- Copies of academic titles/transcripts
- At least one reference letter (optionally, the reference letter could be enclosed in an envelope that must reach Ms. Kleanthi Zacharopoulou at the address: FORTH/ICE-HT, Stadiou street, Platani, Patras 26504 by the closing date for applications; the closed envelope will be handed to the evaluation committee)

Any application received after the deadline will not be considered for the selection

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact Ms. Kleanthi Zacharopoulou (kleanthi@iceht.forth.gr, Tel. +30 2610 965 278).

Selection Announcement

The result of the selection will be announced on the website of ICE/HT-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the ICE/HT secretariat within five (5) days after the result announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICE/HT-FORTH in line with the Hellenic Data Protection Authority.

APPLICATION FORM FOR POSTDOCTORAL POSITION

NAME	
SURNAME	
DATE OF BIRTH	
NATIONALITY	
TELEPHONE	
EMAIL	
SUBMITTED WITH THIS APPLICATION	1. 2. 3. 4.

Hereby I submit my application as a candidate for a Post Doctoral position:

..... [Job Description]

in the framework of the project ARCHERS, carried out by the Foundation for Research and Technology Hellas (FORTH), and funded by the Stavros Niarchos Foundation.

I certify that:

- A) I accept the terms and conditions of the job announcement
- B) I possess all the necessary certificates and documents and I can present them in their original form without any delay if I am asked to do so
