Ref. No.: 138883

SCENARIOS**Invitation for Expression of Interest:****Postdoctoral Research Assignment “Plasma processes for the degradation of PFAS in wastewater”**

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one postdoctoral research assignment in the context of the research project “Strategies for health protection, pollution Control and Elimination of Next generAtion Refractive Organic chemicals from the Soil, vadose zone and water, acronym “SCENARIOS” “Grant Agreement number: 101037509 — SCENARIOS — H2020-LC-GD-2020 / H2020-LC-GD-2020-3”, which is implemented under the H2020 Research and Innovation Action.

Job Description

To conduct research under a work or an employment contract in the framework of the aforementioned project "SCENARIOS". The main objective of the specific part of “SCENARIOS” is to develop cold plasma processes for PFAs removal from water.

Location: FORTH/ICE-HT, Patras, Greece**Duration:** up to 6 months, with the potential of renewal or extension according to the needs of the project**Salary:** up to approximately 2000 € per month, depending on qualifications (total cost of the employer, including social security and taxes), depending on qualifications**Envisaged starting date:** 1/7/2024**Requirements and Qualifications**

The applicant should possess MSc and PhD degrees in Physics or Chemistry or Materials Science or a relevant field. Strong experience in cold plasma technology for the remediation of water/waste is required. Publications in international peer-reviewed journals is required. Candidates must be fluent in the Greek language and have a good knowledge of the English language (at least level B2).

The evaluation of the candidacies will be based on the following criteria and qualifications:

Qualifications	Weight	Evaluation criteria
Experience on the application of cold plasma water/waste treatment, proven from the participation in relevant research projects	30	Duration of proven experience in relevant projects

SCENARIOS

		(1 point/month of employment in relevant projects with a maximum of 30 points)
PhD thesis relevance to cold plasma related processes	25	Relevance to the PhD thesis: strong relevance: 25 points, medium relevance: 15, weak relevance: 10 points
Publications in international journals and peer-reviewed conference proceedings on topics related to water remediation by cold plasma	25	Number of publications in journals and conference proceedings in the aforementioned subjects (5 points per publication with a maximum of 25)
Knowledge of English language	10	C1: 8 points C2: 10 points
Interview	10	(a) Background in the objective of the assignment (2.5 points). (b) Organizational and communication skills (2.5 points). (c) Team-spirit and self-motivation (2.5 points). (d) Commitment to achieving the goals (2.5 points)
TOTAL	100	

Application Submission

Interested candidates who meet the aforementioned requirements should submit their applications, no later than 29/4/2024, 16:00h, by email to Kleanthi Zacharopoulou: kleanthi@iceht.forth.gr.

In order to be considered, the application must include:

- Application letter
- CV
- Scanned copies of academic titles & English language certificate
- Copies of the publications in peer-reviewed international journals and in conference proceedings
- Copy of PhD thesis
- Employer's certificate of the work experience and any other official document to certify the aforementioned required qualifications

Any application received after the deadline will not be considered for the selection.

Selection Procedure

Applications that are received on time will be evaluated by a scientific committee using the criteria mentioned above.

The outcome of the selection will be announced on the website of FORTH/ICE-HT as well as on the website of "DIAVGEIA".

In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

Selection Announcement

The result of the selection will be announced on the website of: FORTH/ICE-HT.

Candidates have the right to appeal the selection decision, by addressing their written objection to the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, within five (5) days after the results announcement on the web.

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, tel.: +30 2610 965278.

For information and questions about the advertised position and the research activity of the group or the Institute, candidates are asked to contact Dr. Christos Aggelopoulos, tel: +30 2610 965205, e-mail: caggelop@iceht.forth.gr.

General Protection Data Regulation

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.

For FORTH/ICE-HT,

Theophilos Ioannides
Director
