SCENARIOS

Invitation for Expression of Interest:

Postdoctoral Research Assignment “Innovative analytical methods for detection and monitoring of PFAS”

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one postdoctoral research assignment in the context of the research project “Strategies for health protection, pollution Control and Elimination of Next generation Refractive Organic chemicals from the Soil, vadose zone and water, acronym “SCENARIOS” “Grant Agreement number: 101037509 — SCENARIOS — H2020-LC-GD-2020 / H2020-LC-GD-2020-3”, which is implemented under the H2020 Research and Innovation Action.

Job Description

To conduct research under a work or a fixed-term employment contract in the framework of the aforementioned project "SCENARIOS". The main objective of the specific part of SCENARIOS is to thoroughly explore and develop a new smart PFAS determination method which will combine rapid selective detection with low detection limits in the ppt range analogous with those found in the environment. Surface Enhanced Raman Scattering (SERS) should be explored to provide fast, accurate and versatile identification and quantification of several PFAS congeners.

Location: FORTH/ICE-HT, Patras, Greece

Duration: up to 6 months, with the potential of renewal or extension according to the needs of the project

Salary: up to approximately 3000 € per month, depending on qualifications (total cost of the employer, including social security and taxes), depending on qualifications

Envisaged starting date: 1/11/2024

Requirements and Qualifications

- The candidate is required to hold a PhD in Chemistry /Chemical Engineering
- Proven participation in research projects funded by the EC or the State
- Relevant publications in peer-reviewed international journals
- Experience in materials characterization with spectroscopic techniques
- Good knowledge of the Greek and English language (at least B2 level)

The evaluation of the candidacies will be based on the following criteria and qualifications:

SCENARIOS

Qualifications	Weight	Evaluation criteria
Proven experience in physicochemical characterization of materials (mainly Raman & SERS)	30	Criterion is the documented hands-on experience during MSc/PhD/Postdoc, 2 points / year, maximum score 30 points
Publications in peer-reviewed international journals	30	Number of publications, 1.5 points / publication, with a maximum of 30 points
Previous research experience and participation in research projects funded by the EC or the State	30	Criterion is the duration of contract work, 2 points / year, maximum score 30 points
Knowledge of the English language	10	English language degree (C1=5 points, C2=10 points)
TOTAL	100	

Application Submission

Interested candidates who meet the aforementioned requirements should submit their applications, no later than 4/10/2024, 16:00h, by email to Kleanthi Zacharopoulou: kleanthi@iceht.forth.gr. In order to be considered, the application must include:

- Application letter
- CV
- Scanned copies of academic titles & English language certificate
- Copies of the publications in peer-reviewed international journals
- Employer's certificate of the work experience and any other official document to certify the aforementioned required qualifications

Any application received after the deadline will not be considered for the selection.

Selection Procedure

Applications that are received on time will be evaluated by a scientific committee using the criteria mentioned above. If necessary, certain candidates will be invited to a personal interview with the committee.

Interview Criteria:

(a) Background in the objective of the assignment (5 points). (b) Organizational and communication skills (5 points). (c) Team-spirit and self-motivation (5 points). (d) Commitment to achieving the goals (5 points)

The outcome of the selection will be announced on the website of FORTH/ICE-HT as well as on the website of "DIAVGEIA".

In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

Selection Announcement

The result of the selection will be announced on the website of: FORTH/ICE-HT.

Candidates have the right to appeal the selection decision, by addressing their written objection to

SCENARIOS

the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, within five (5) days after the results announcement on the web.

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, tel.: +30 2610 965278.

For information and questions about the advertised position and the research activity of the group or the Institute, candidates are asked to contact Dr. George Voyiatzis, tel: +30 2610 965253, e-mail: gvog@iceht.forth.gr.

General Protection Data Regulation

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.

For FORTH/ICE-HT,

Theofilos Ioannides
Director
